

# God Made Families to Care for Me

God created special people to care for you. Who is helping Drew and Gracie fix the bike? Count the wheels on the page. Then color the picture!

This is a seven.  
Trace the number 7.  
Then practice writing  
it on the line.

Two horizontal lines for practicing writing the number 7. The top line is solid, and the bottom line is solid. A dotted line starts at the top of the number 7 and goes down to the bottom line, indicating the stroke direction.

LORD, you alone keep me safe. Psalm 4:8 NlrV
